Upgrade your workspace with ultimate flexibility. **Modular Honeycomb Desk Organizer** is a fully customizable storage system designed for makers and tech enthusiasts. Its hexagonal design allows you to build a setup that fits your desk perfectly, while the sleek honeycomb texture adds a premium, modern look.

Fully Modular: Snap modules together in any layout you need.

Hidden Connectors: Uses discrete bottom clips to keep the structure rock-solid without ruining the clean look.

The files also include a basic step file.
