Uses a snap-fit system to hold the handle firmly without the need for assembly.

Versions

The model is available in multiple sizes to fit different handle diameters:

- **Ø25 mm**
- **Ø30 mm**
- **Ø35 mm**

Function

The snap mechanism gently grips the broom handle, preventing it from falling over while still allowing easy insertion and removal.

Printing

- **Print-in-place design**
- **No supports required**
- Ready to use straight off the build plate

Features

- Clean and minimal design
- Multiple size options for universal use
- Secure snap-fit mechanism
- Easy to print and use
- Mounted using 2 screws

A practical solution to keep your **tools organized and accessible**
