Designed with a **spring-loaded snap mechanism**, it allows quick access while keeping cables securely in place.

Function

The mount features **5 slots**, each suitable for cables up to **Ø7 mm**.

To open the mount:

- Press the **textured side outward**
- The top section will **snap open**
- Insert or remove cables easily

The mechanism then clicks back into place, holding the cables securely.

Mounting

- Designed for **double-sided tape**
- Quick and clean installation on desks, walls, or other flat surfaces

Printing

- **No supports required**
- Easy and reliable print

Features

- 5 cable slots (up to 7 mm diameter)
- Snap-open mechanism for quick access
- Textured push area for intuitive use
- Clean and minimal design

A simple and efficient way to keep your **workspace tidy and cables under control** :)
