Overview

Character-inspired pen holder designed as a simple desk organizer.
Holds pens or small tools while also working as a decorative object.

Features

Functional pen holder

Compact and stable

Simple geometry

Easy to print

Use

Designed to hold pens, pencils, or small tools on a desk.

Can also be used as a decorative figure.

Printing

PLA works well for this model.

Layer height around 0.2 mm.

Infill between 15–20%.

Supports are recommended for best surface finish.

Notes

Character-inspired design.

May require supports depending on orientation.

Can be scaled if needed.

If you print it
