### Cartoon Cats Shelf Silhouette - Fun 3D-Printed Wall or Door Decoration

Add a playful touch to your home with this adorable lineup of cartoon-style cats designed to sit perfectly on the edge of a door, shelf, or cabinet. Each cat has its own expressive personality, creating a charming and eye-catching decorative accent.

This model prints in one piece, requires no supports, and works beautifully in matte black filament to achieve a clean silhouette effect. Simply print, apply double-sided tape or adhesive putty, and place it on any flat edge for an instant dose of cuteness.

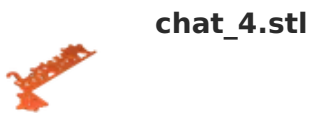

## Print Details

- **One-piece print**
- **No supports required**
- **Best printed in black PLA** for a silhouette look
- **Recommended layer height:** 0.2 mm
- **Wall thickness:** 2-3 perimeters
- **Infill:** 10-15%
- **Scalable** to fit any door, shelf, or cabinet width
- **Mounting:** double-sided tape or adhesive putty

## Included Files
